Glava li ta boli, sino moj

Rhodope Region, Bulgaria

Glava li ta boli, sino moj

Glava li ta boli

// Glava li ta boli, sino moj

Ili polovina//

Does your head ache, my son?

Or is it just half (your head)?

It is not a headache, mother,

My heart aches, mother,

Because of last night

Ne ma glava boli, mamó ma

Ne ma glava boli

// Surceto ma boli, mamó ma

Za snoštnana večer//

She became engaged, mother,

My first love, mother,

To another lover.

Zaglavilo sa je, mamó ma

Zaglavilo sa je

// Mojno porvo ljube, mamó ma

Za druchko ljube//
