HUMANITY IF BI-RADIANT

EVERY SO MANY YEARS I DREAM OF BEING IN
A LABORATORY OF THE FUTURE. THE CURRENT
STATE OF KNOWLEDGE IN THAT FUTURE IS RECITED
TO ME BY SOME INDIVIDUAL, AS THOUGH I WAS
A VISITING STUDENT FROM THE PAST. THE ABOVE
STATEMENT WAS PART OF SUCH A TEACHING WHICH
IMPRESSED ME ENOUGH TO RECALL IT UPON
AWAKENING.

Mental privacy

PERSONAL PRIVACY IS A REQUIREMENT OF PERSONAL SANITY.

IT IS NEVER MORE TRUE THAN IN THE CASE OF MENTAL PRIVACY.

THE DEGREE TO WHICH A MIND IS FREE FROM "VOICES" ARISING FROM PRIOR CONDITIONING, VOICES FROM TRAUMATIC EXPERIENCES PROVIDING UNREAL AND UNNATURAL RESPONSES - DIFFERENT IN DEGREE THAN THE STIMULUS JUSTIFIES, IS THE DEGREE TO WHICH THE MIND IS PRIVATE AND IN THE FULL SENSE SANE.

WHEN THE MIND IS SO FULL OF BEFORE-THE-FACT NOISE THAT MENTAL PRIVACY IN THE SENSE OF WHICH I SPEAK, IS NOT PRESENT - THEN SANITY IS NOT PRESENT!
