Thought versus thinking

THOUGHT IS AN AFFERENT PHENOMENON.

THINKING IS AN EFFERENT PHENOMENON

HERE IS THE KEY TO INITIATIVE THOUGHT
WHICH IS BLOCKED BY CIRCULAR THINKING
WHICH CAN ONLY REFLECT PREVIOUS
CONVICTIONS.

The small self part one

FORMLESS, YET KNOWING -
A BLOT OF SOMEWHERE, LOST
AMIDST THE SILENT CLATTER
OF NOW...THEN...WHEN?

AN AREA, SELF SENSING -
A PART OF, BUT NOT OF THE PART -
AN AREA WITHOUT BOUNDARY..

A BLOB, A RIFFLE OF SOMEWHEN,
KNOWING BUT NOT KNOWN..

SO ATTACHED TO THE MACHINE IT RIDES,
YET SENTIENCE SEPARATE -
ADRIFT ACROSS TIME, WITH ITS
AWARENESS ONLY FLAMING
AT THE NODES OF NOW..

FORMLESS .. NAMELESS

BUT I.

The small self part two

THROUGH FLESHLY GUISE SHINES
THE SMALLER SELF.
EXUDING, AN INNER EYE FINDS THE PATH -
TO RISE .. TO RISE -

INNER ROADS END 'NEATH A CAP OF LIGHT -
WHERE GORUSCATING RAYS OF THE MASTER REIGN-
A WARMTH .. A RISING TIDE.....

LIGHT THAT EVER IS AWAITS ABDICATION
OF SELF; WHO FINDS THE FUTURE TOLD
IN LOSS OF SMALLER GOAL...

GAIN IS FELT, NOT TOLD
WHEN self FINDS SELF, IN THE MASTER'S MOLD.

The small me

IT HAS TAKEN SIXTY FOUR YEARS AND TEN MONTHS TO FIND WHAT
MY SMALL SELF (the 'me') IS, AND WHERE IT HOVERS.
IT IS FORMLESS AND I WOULD SAY IT IS LIKE A SMALL CLOUD,
BUT THERE ARE NO PARAMETERS OF REFERENCE. MOST OF THE TIME
IT IS A SMALL DISTANCE TOWARD MY FEET FROM THAT INTERNAL AREA
BRIGHT WITH LIGHT AND A SENSE OF PROTECTIVE WARMTH. LOVE?
IT SEEMS TO USUALLY LIE HIGH AND TO THE REAR OF MY HEAD. WHEN
THE "ME" SCANS IT IT OFTEN MOVES INTO POSITION NEAR THE PINEAL
GLAND. I PRESENTLY BELIEVE THIS PART IS MY HIGHER SELF, OR
MAYBE PART OF THE UNIVERSAL GOD WITHIN.
