REAL PERSON TO REAL PERSON, WHICH IS TO SAY, SOUL TO  
SOUL DIRECT COMMUNICATION VIA THE PHYSICAL VEHICLES  
EACH USES, DOES TAKE PLACE WHEN EACH HAS TRUE SELF  
CONSCIOUSNESS. - A RARE ACHIEVEMENT!

November 20, 1975  
Challenge to soul

A CHALLENGE TO SOUL SELF CONSCIOUSNESS IS TO LEARN TO  
ACCEPT AND INDEED ENJOY FULL CONSCIOUSNESS WITHOUT  
INSISTING ON HAVING A SEPARATE AND UNIQUE IDENTITY.

AS MEISTER ECKHART SAID "ALL IS IN ALL, ALL IS ONE  
AND ALL IS OURS".

How thin the edge of now?

OUR TECHNOLOGY CAN RECORD SOMETHING THAT EXISTS FOR A TIME DURATION OF ONE BILLIONTH OF ONE SECOND.

OUR EYES AND OBSERVING MIND CAN ONLY CLEARLY SENSE SOMETHING THAT EXISTS FOR ONE SIXTEENTH OF ONE SECOND, THE "GENEVA" MOVEMENT INTERVAL. TRAINED OBSERVERS CAN IDENTIFY SOMETHING OBSERVED FOR ONLY ONE ONE HUNDREDTH OF ONE SECOND.

SUPPOSE EVERYTHING EXISTS FOREVER IN SOME THIN SLICE OF TIME, ONCE IT BECOMES FIXED AS A PART OF SOME "NOW".

THERE MUST BE... SOME BRIDGE BETWEEN SOUL AND BODY WHICH MOVES (EXISTS) WITH THE THIN SLICE OF TIME WE CALL NOW.

IF THE SOUL EITHER PERMANENTLY OR BRIEFLY LEAVES THE BODY AND THAT SOUL-BODY BRIDGE, IT MAY SYNCHRONIZE WITH ANY OF THE FROZEN THIN SLICES OF NOW OF THE PAST, INASMUCH AS THESE NOWS PERSIST ETERNALLY.

THUS THE SOUL MAY ALSO SYNCHRONIZE WITH A BODY AND BRIDGE OF SOME OTHER SOUL, AS LONG AS THE SYNCHRONIZATION LASTS. IT MAY THEN PROCEED TO MOVE WITH THAT NOW AS IT EXPERIENCES NEW MICRO SLICES OF TIME.
