Insight before the news about Jean's supposed Cancer was received.

GOD MADE THE FABRIC OF REALITY SO THAT IT CAN BE MANIPULATED.

Many great Beings like Jesus of Nazareth have demonstrated over and over that this is so. Jesus said that we all can do the same and even more.

Many great men like Abraham Lincoln demonstrated its truth.

Authors from Horatio Algiers to "Mr. Smith Goes To Washington" have tried to tell us this is possible.

Mind conditioning of the general public keeps this great truth from being recognized.

The power of prayer and self healing emphasize the great actuality that Reality can be manipulated!
